**AMBALA**

**APRIL Edition 2024)**

Our students are deeply engaged in nurturing the art of peacemaking through committed practices like daily meditation and active participation in specialized spirituality sessions. These deliberate endeavors play a vital role in cultivating a profound sense of satisfaction and serenity in their daily lives. The educational program places significant emphasis on fostering harmonious coexistence, demonstrating love and reverence for all individuals, and instilling the knowledge necessary to achieve inner tranquility through meditation. This structured regimen not only provides students with essential life skills but also serves as a pathway for them to establish a more profound connection with the inherent peace within themselves.

# CHILD DEVELOPMENT ACTIVITIES

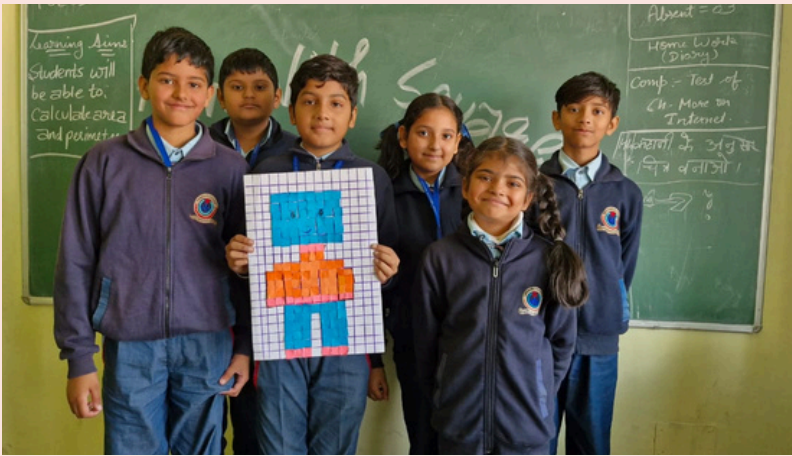

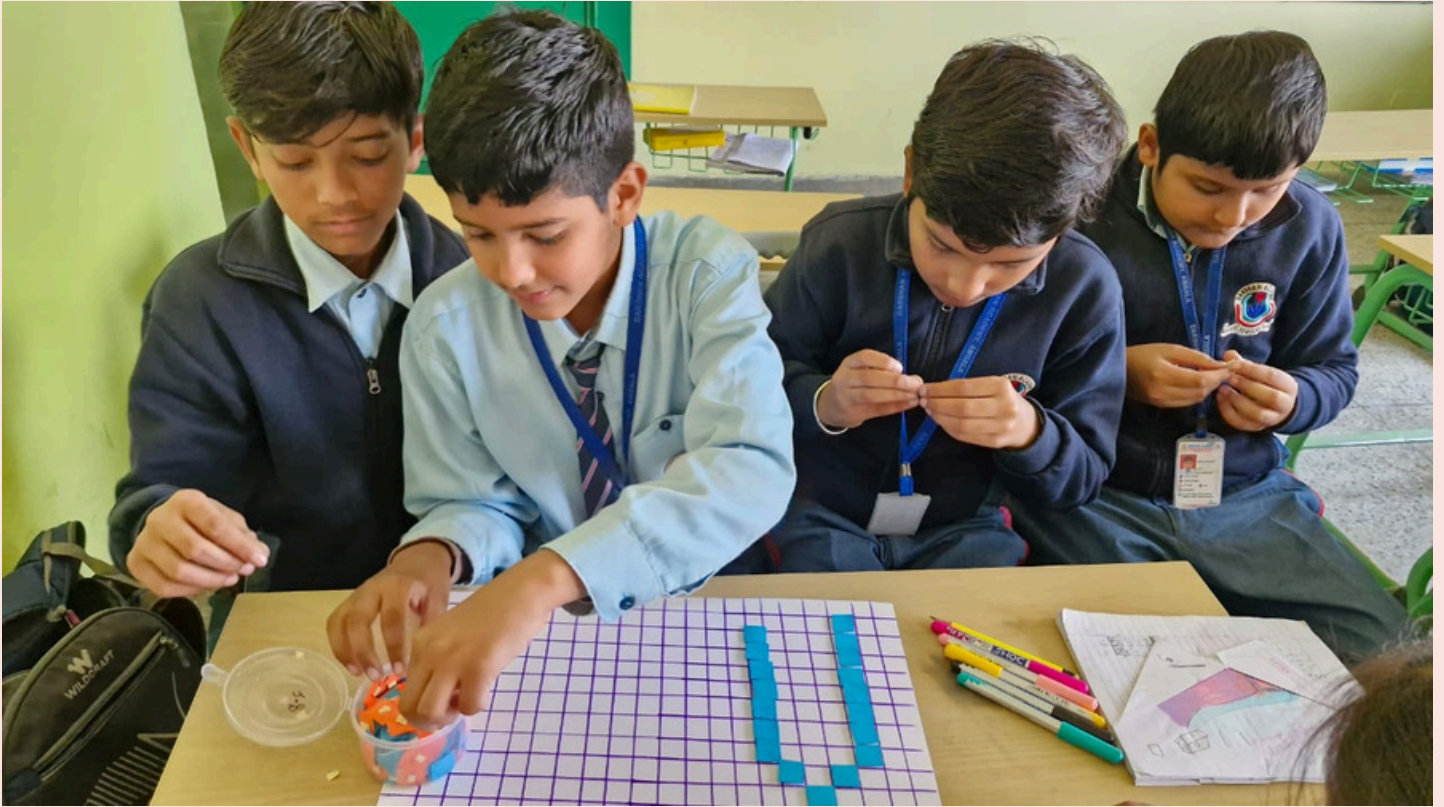

Tiny tots of our school have performed an activity with toys that would enhance their creativity, imagination, and storytelling abilities. Toys are not just objects for play; they serve as tools for learning and development in children. This activity aimed to explore the multifaceted impact of toy activities on a child's growth. It emphasized the pivotal role toys play in shaping a child's development, influencing cognitive, motor, social, and emotional aspects positively.

# FUN WITH MATHS

We celebrated Math week in school premises. Various activities were conducted in all classes. In junior classes 1 and 2, students were made to make 3-D shapes using blocks to visualize their creativity and gave presentations on stage which would boost their confidence. For Senior classes, activities based on mathematics puzzles, Multiplication Wheel, Hot seat activity and riddles were taken up to enhance their mental ability. Students made beautiful designs using geometrical shapes to explore Mathematical beauty in Art.

## ROTI BANK

Our students took the initiative to organize a Roti Bank, ensuring that no one in the community goes hungry. Students brought fresh chapatis, pickles, dry vegetables, packets of biscuits, and other eatable items. The joyful Darshanites and teachers visited slum areas to distribute these eatables and clothes. Sharing, indeed, gave immense joy, and the feeling that we could fulfil someone's basic need was extremely satisfying.

# REPUBLIC DAY CELEBRATION

We celebrated Republic Day with full fervour and patriotism. The students and teachers unfurled flag, and they were acquainted with the historical background associated with this prestigious day in Indian history. The students showcased their talents through spirited, patriotic dances, engaging skits, and soul-stirring songs, leaving a lasting impression on the audience. Their performance was selected among the 21 schools of Haryana for this event. They spread awareness about fundamental rights and duties through their dance and music performances.

## TEACHER'S PICNIC

The teachers of our school had a wonderful picnic on Sunday after the winter vacation. They visited Naina Devi and Anandpur Sahib and had a refreshing time. The day was filled with laughter, joy, and unforgettable moments, teachers explored the beautiful surroundings. The scenic views at Naina Devi and the historical charm of Anandpur Sahib added a special touch to the day.

# TOP-50 SCHOOL EDITION AWARD

“Take pride in how far we have come and have faith in how far we can go”

We are thrilled to share with you all that our school was conferred with the prestigious “TOP-50 SCHOOL EDITION AWARD” for demonstrating exceptional performance in fostering a holistic learning environment, promoting global citizenship, and implementing innovative teaching practices. This award brings honor and opens door to more success in future. This is a much-deserved award for the school which believes in consistent hard work and chooses to pursue excellence.

# INTERNAL WORKSHOP ON METHODOLOGY

**"In learning you will teach, and in teaching you will learn."**

We conducted an internal workshop on methodology attended by teachers. The workshop included learning topics that touched upon teaching methodologies and techniques. It commenced with an overview of contemporary teaching methods, emphasizing the importance of student engagement and active learning.

# KIRPAL WEEK OF LOVING KINDNESS

**THE PURPOSE OF HUMAN LIFE IS TO SERVE, AND TO SHOW COMPASSION AND THE WILL TO HELP OTHERS.**

We celebrated Kirpal Week of 'Loving Kindness' from 1st Feb to 6th Feb. This special week was celebrated in honour of Spiritual Master Sant Kirpal Singh Ji Maharaj's birthday. For the whole week the students were engaged in performing a variety of activities giving prime importance to humanity and service to mankind. The motive behind celebrating this special week was to encourage the students to love every creature made by God and inculcate a feeling of Kindness within themselves. The school campus was vibrating with the spiritual vibes spreading the message of "Loving Kindness" everywhere. The students enthusiastically participated in a rainbow of activities which were conducted throughout the week to commemorate the great spiritual master.

# SPELL BEE COMPETITION

**"Competition strengthens character and reveals true potential."**

We organised the Spell Bee Competition aimed to enhance students' vocabulary, spelling, and pronunciation skills in a fun and competitive environment. Students from various grades showcased their enthusiasm and eagerness to participate, reflecting a keen interest in improving their language skills. The Spell Bee competition fostered healthy competition and promoted a culture of language appreciation and learning among students.

# BASANT PANCHAMI CELEBRATION

**"Basant Panchami is the festival of kites and yellow blooms, marking the onset of spring's delightful hues."**

We celebrated an auspicious Occasion Basant Panchami with great fervour and enthusiasm. This is an occasion which marks the advent of the spring season and is also celebrated to worship Saraswati, the Goddess of knowledge and wisdom. The celebration of Basant Panchami at our school, themed "Flying Kites", was a testament to our commitment to fostering creativity, cultural appreciation, and holistic development among students. The sky above the school grounds was adorned with a myriad of kites of all shapes and sizes, symbolizing the spirit of freedom and unity.

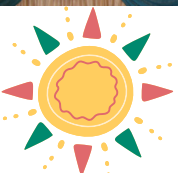

# KINDERGARTEN ANNUAL DAY CELEBRATION

We celebrated Kindergarten Annual Day with great enthusiasm and fervor. The stage was adorned with a breathtaking display of flowers with colourful streamers and balloons. The theme of the annual day was "Enlightening Minds and Illuminating Souls." The event commenced with a heartwarming welcome address by the school principal. The children showcased their talents through songs, dances, and skits, bringing smiles to the faces of all attendees. The children's performances were enhanced by the elaborate costumes and props meticulously crafted for each act. The annual function was a delightful event filled with joy, laughter, and adorable performances.

# NATIONAL SCIENCE OLYMPIAD

**“Success is not measured by the grades you receive, but by the knowledge and wisdom you gain.”**

Our students have participated in the National Science Olympiad (NSO) conducted by the Science Olympiad Foundation every year. Students have achieved remarkable success in this Olympiad. A total of 102 students participated in the SOF Olympiad. Out of which, 14 students clinched the gold medal of excellence, and other students got Participation certificates along with Student Performance Report, affirming their outstanding performance and commitment to academic excellence. This prestigious competition serves as a platform for students to showcase their expertise in their subjects.

# FUN SPORTS ACTIVITIES FOR KINDERGARTEN

"Playing gives children a chance to practise what they are learning."

Our Kindergarten students engaged in lots of fun activities that help them learn and grow. PT sessions are also designed to engage kids in various exercises and activities that enhance their physical strength, agility, and endurance. In these activities, kids learn how to move their bodies in different ways, like running, jumping, and throwing. This not only makes them better at sports but also helps them stay healthy and fit. They learn how to solve problems, make decisions, and work with others as a team.

# ORIENTATION PROGRAMME

We conducted an orientation program for new admissions with the aim of familiarizing the students and their parents with the school environment, policies, facilities, and opportunities for academic as well as holistic growth. They were introduced to the concept of meditation and its benefits for mental, emotional, and physical well-being. Information about resources, books, and the MCB app was provided to parents. The Sporz Village manager gave a presentation about the role and benefits of sports activities and how these activities inculcate various life skills in children.
